The accident of last Wednesday in Mattapoisett has saddened persons throughout the town. It required such an unlikely combination of unfortunate circumstance and condition that we humans can only grasp it as fate. Mrs. Chester (Irene) Heuberger was fatally injured while clearing her windshield of ice on the State highway. She was struck by a car operated by her boarder, Miss Nancy Duggan, who police theorize was blinded by the same ice and glare conditions. Both were on the way to work at Old Rochester Regional High School where Mrs. Heuberger was nurse and Miss Duggan an English teacher. They left home at nearly the same time. Every accident is tragic but this one is compounded by the closeness of those who were involved. The deep sympathy of the town goes out to the family of Mrs. Heuberger and also to the young teacher who was part of this same household at the time of this terrible misfortune.

Mrs. Heuberger, a native of New Bedford, was a graduate of Fairhaven High School and St. Luke's Hospital School of Nursing in 1939. She was a member of the Mattapoisett Congregational Church, Women's Community Guild of the church, the Mattapoisett Woman's Club, and was a former president of the Wives and Mothers' Society of the New Bedford YWCA,

Besides her husband, Chester, she leaves two daughters, Gale, a student at Westfield State Teachers' College, and Ruth Ann, a

SCOUTS PLANT BULBS

Rochester Girl Scout Troop 165 of Plymouth Bay Girl Scout Council, Taunton, planted two dozen daffodil bulbs in observance of the 50th anniversary of Girl Scouting in March.

The daffodils will produce a golden flower appropriate for the "Blossoms for the Birthday Years". One dozen daffodil bulbs were planted on either side of the steps of the First Congregational Church and the other dozen was planted around the Sacred Heart statue at St. Rose of Lima Church and the church sign.

the Cape and to the citizens of Massachusetts. The Governor proposes to turn over to the Federal Government two parcels of land now owned by the Commonwealth - the Province Lands in Provincetown and the Pilgrim Springs State Park in Truro.

The Governor stated in his message that "In my opinion, it is in the best interests of the Commonwealth that the National Park Service maintain and manage the area as a whole, and it is therefore my recommendation to the General Court that the Commonwealth's properties be donated to the Federal Government to further the purposes of the Cape Cod National Seashore.

"By so doing, the Commonwealth will be relieved of further expense for operation and maintenance of these lands and, at the same time, will clearly indicate its support of a measure so vital to the vacation economy and recreational well-being of Massachusetts as a whole."

Since this is a matter of vital concern to the Cape we feel that people of this area will want to give it some earnest thought because it concerns a large tract of land now under the control of the Commonwealth. Your opinion should be forwarded to Senator Stone for his consideration and action. The Senator's address is: Senator Edward C. Stone, 41 Mount Vernon Street, Boston 8, Mass.
